

"Thank You, thank you, thank you!" ... from current satisfied clients.

Make your private function special whatever the occasion, with Cherry's Catering!

**Milestone Birthdays** ... I would like to formally register our thanks for the catering you provided at our home for our son's 21st birthday.

Everything was first class and we couldn't have asked for anything better! The staff were top class - working quickly, quietly & efficiently making sure everyone was fed. We had numerous comments on the night, and in the days following, as to how good the food and staff were.

Cherry's helped make things a lot easier for us on the night and we'd certainly use again, having no hesitation in referring you to others also.

**Milestone Birthdays** ... Nan's 90th birthday was sensational and we've had plenty of positive feedback referring to the catering. The food was excellent, of a very high standard and thoroughly enjoyed by all guests. Together with wonderful service provided by your staff, very professional and friendly, topped off what was a very successful celebration.

Your professional advice on catering both food and beverages for such a large number of guests made planning a lot easier than I was expecting, and contributed to making this event such a success.

I would not hesitate in recommending your services to anyone requiring professional catering for any event ...

**Anniversaries** I would like to sincerely thank you for your excellent organisation for our Golden Wedding Anniversary. My initial contact was with Erin who was a delight from our first conversation and reassured us about all our concerns, and offered many alternative solutions with her very pleasant manner.

Your literature is most comprehensive and once we had decided to use Cherry's Catering we dealt with Debbie, who was equally as helpful and charming. Your flexibility with our needs was also most comforting.

Shane and Lesley arrived punctually on the night, and were speedy and discreet in setting up the meal - they were most considerate and co-operative our little interlude between courses, i.e. the Barbershop Quartet. They cleared their work area very quietly and quickly at the finish.

We would like to congratulate you on a very successful event, and we feel happy to recommend you to our friends ...

**Wakes** ... Yesterday was a very difficult day for me and my family having to lay my dear brother to rest.

Whilst searching through the Yellow Pages only a few days prior and dialling several other caterers first, we opted to call your company.

Immediately on explaining that we required catering for a wake, Kate passed on her condolences (no other company that we called did). We were very appreciative of her suggestions and her listening to our requirements perfectly. All guests whom returned for the wake commented on the quality and especially the freshness of all the food. The 'hot food' was actually hot and the 'cold' was also as intended to be.

Thank you to all staff for your exceptional service - a sign of an efficient company.

**Engagements** ... we were very impressed with your staff who were efficient and friendly, and many of our guests commented on the quality of the food and the wonderful spread. We will definitely return to you for all our catering needs and would love to have your wonderful team cater our wedding also ...
