For myself, who's usually very fussy in my own kitchen, it was great to leave it in the hands of people I had complete confidence in and get on with celebrating our marriage ...

Thank you so much for the fabulous food you created for our wedding! It was absolutely divine and so were the staff. Everyone was so impressed with the selection, and how much food there was.

We had the most incredible special day and you made it just perfect. We will definitely recommend you and a cocktail style reception ...

... I wanted to thank you all so very much with the success we had at Melissa's wedding. Your service is of the highest standard, from the first contact I made nearly a year before the wedding, and you were so helpful as I was living in Karratha and the wedding was in Perth. The food was fantastic and there was heaps of it! Many thanks to you all - you are a great team and should be very proud.

... From the time of booking our function to the end, I felt we received the very best care and attention, with great communication and respect given from all of your staff. It seems that not only do you take pride in catering and excellent preparation of food, but your staff are also hand-picked and are most complimentary to your business. All guests were highly complimentary of both the service and quality of their meal so I will certainly recommend you to others and if needed in the future will contact you to look after us again.

... I would like to thank you all so much for the fantastic job you did for Ebony & Sheldon's wedding.

From the first phone call in May last year and the initial meeting on the South Perth foreshore I had absolutely no concerns what so ever. I felt very confident that everything we asked for would be delivered, and it was. It was even more pleasing as everything was virtually finalised in first 48 hours but felt we could alter anything if need be, right up to 7 days prior to the wedding.

The presentation of the food was fantastic, the taste exquisite, and the service fabulous, could not be surpassed in both food and drinks. So many people paid such wonderful compliments to your food and your staff. Please pass our gratitude on to all your staff.

Living in the country was certainly no handicap when dealing with Cherry's. You are very professional and dedicated to your business and clients. We really appreciated the fact that you all went out of your way to ensure the wedding was everything Ebony & Sheldon dreamed of.

A fantastic Cocktail Sunset Wedding on the banks of the Swan River with 220 family and friends **(guests kept on saying it looks and feels like scenes out of a movie, and that is how you made it feel!!!)**
